

## NEW SERVICE AUTOCONTROL COOKIE ADVICE® FOR THE REVIEW OF COOKIES

AUTOCONTROL, through its service **AUTOCONTROL Cookie Advice®**, may help you implement your Cookie Policy to **meet the legal requirements** in terms of cookies in order for you to offer your web services in accordance with the regulation of this activity.

Any company that edits a website, platform or application, or those authorized by such company, may request the service of technical and legal consulting **AUTOCONTROL Cookie Advice®**.

The service includes:

1. **Analysis of cookies and other data storage and recovery devices** by technical and human means in websites, platforms or applications
2. Legal review of the compliance with the Law of Information Society and Electronic Commerce Services (LSSICE) and the [Guide on the Use of Cookies](#), created by the Spanish Data Protection Agency (AEPD) together with AUTOCONTROL, adigital and IAB Spain.
3. If it's verified that the website complies with the LSSICE and the Guide for the Use of Cookies, the editor will receive a positive report. If that's not the case, AUTOCONTROL will issue a report including the modifications needed to comply with regulations.

**The positive report issued by AUTOCONTROL could help prove a diligent behavior with possible modulation effects in case of a potential sanction that the Law could provide.**

You can get more information on the service or fees through the **AUTOCONTROL Cookie Advice®** team at the telephone number +34 91 309 66 37 or through the e-mail address [digital@autocontrol.es](mailto:digital@autocontrol.es)
